General Guidelines & Policies:

1. You must perform on the dates you are assigned unless you have made prior arrangements to switch dates with a band director.
2. All performances are graded and not attending significantly impacts your grade for that grading period (see grading policy handed out with classroom policy at the beginning of the year.)
3. All students should wear last year's pep band shirt. New students will purchase this shirt for \$6.
4. The two rehearsals listed will be graded as performances, so make sure you attend unless you have been excused by a band director because of an athletic practice conflict.
5. Most games end by 9:30 pm and parents should plan to pick you up between 9:15/9:45 pm.
